PRELIMINARY AMENDMENT

Box Patent Application
Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to calculation of the filing fee for the above-identified continuation application, Applicant respectfully requests entry of this Amendment.

In the Specification:

Please delete the section under the heading "Related Applications" and replace with the replacement section as set forth in the attached marked up version of the amended Related Applications section to read as set forth in the replacement Related Applications section in clean form.

REMARKS

Applicant files this continuation application based on co-pending continuation-in-part application Serial No. 09/233,703, filed January 19, 1999. Applicant intends to submit a Supplementary Preliminary Amendment prior to the first substantive examination of this continuation application.

To the Specification

Applicant amends the specification under the Related Applications section to correct typographical errors and to insert the proper claim for priority and serial numbers of referenced patent applications. Applicant submits that no new matter is introduced by these amendments. In accordance with 35 U.S.C. § 1.121, attached is a marked up version of the replacement section and a copy of the replacement section in clean form.

If it is believed that a telephone conversation with Applicant's attorney would be helpful in expediting prosecution of this, the subject application, the Examiner is invited to call the undersigned.

Respectfully submitted,

Michael J. Bastian
